Term 4 Week 9

Friday 3<sup>rd</sup> December 2021

Here we are at the end of Week 9, only 2 weeks to go!

As we head into the final nine days of school, we are very busy with lots of activities to complete.

Please read the newsletter to see what is ahead to finish the school year of 2021.

## REMINDER WEEK 10

Monday

**LAST SCHOOL BANKING**

Tuesday

**School Non Operational**

Wednesday

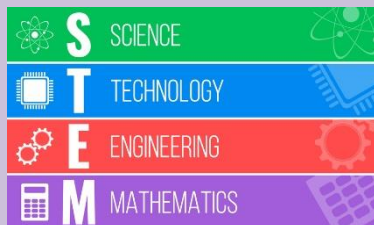

Captains Speeches

Thursday

Tennis

Friday

Tennis

In STEM this week, Class 3/4 and K/1/2 have been hard at work finalising design and construction of their miniature golf courses. They are looking forward to testing their games next Thursday.

**Assembly**  
**Term 4 Week 8**

## P&C News

Thank you to all the families who have returned their raffle tickets.

If you would like any additional raffle ticket books, please see the school office.

There are many great prizes to be won. The students are very excited at seeing the pile of prizes growing in the office. The off-road scooters are a favourite!

If you have any goods to donate to add to the hamper, please drop them into the school office by **Thursday 9th December**.

### P&C CHRISTMAS POOL PARTY

Families are invited to join the P&C for their Christmas Party at the Orara Valley Community Pool at Nana Glen on Friday 10<sup>th</sup> December from 4pm to 6pm.

We are having a sausage sizzle, a visit from Santa and the raffle will be drawn.

We must stick to COVID rules, mask on entry, QR code check in and double vaccination.

A note went home today so could you please complete the bottom form if you will be attending to assist with our catering requirements.

It will be a fun way to end the year, hope to see you there!!

## Science with Class 5/6

Class 5/6 this week coordinated a fantastic day of science activities on Thursday which were enjoyed by Kinder to year 4 students.

There were eight different science activities including a volcano and lava, rocket, paper cup telephones, making ice cream, crystal making, orange fizz and invisible ink. The students witnessed how different chemicals react when mixed.

Year 5/6 did a great job setting up the experiment, explaining the process and outcomes and then demonstrating so well to the rest of the school. A big thank you to Mrs Bullen for her assistance in making the day a success.

## LIBRARY STOCKTAKE

Thank you to all the students who have returned their library books.

Please check that your child has no library books at home.

LAST SCHOOL  
BANKING  
FOREVER
